

2013-2014 GRANTEE QUOTES

"The American Cancer Society is pleased to partner with Susan G. Komen San Antonio to provide access to care services for breast cancer patients in the San Antonio community. Together we are making a difference in the lives of breast cancer patients."

Lane Moore | Regional Vice President | American Cancer Society

"We are honored to be in this partnership. The grant support we receive from Susan G. Komen San Antonio enables us to serve women who lack the resources to access critical cancer screening services."

Dr. Ernesto Gomez | President and CEO | CentroMed

"We at CommuniCare are honored to have been selected as a Susan G. Komen San Antonio grantee. Working with such an amazing organizations has allowed CommuniCare to promote breast health awareness, education and screening to our low income and uninsured population. Thank you, Komen San Antonio for giving us hope. "

Denise Daniels, BS, RN | Quality Manager | CommuniCare Health Centers

"With support from a grant of Susan G. Komen San Antonio, the Martinez Street Women's Center promotoras will reach thousands of women with life-saving breast health information and mammograms. Together we are reaching out to Latina and African American women who are disproportionately affected by breast cancer."

Joleen Garcia | Executive Director | Martinez Street Women's Center

"Because of the awesome support that Susan G. Komen San Antonio gives to SLEW Wellness Center, we are able to provide over 7,500 services annually to uninsured and underinsured breast cancer patients and survivors. Mental health counseling, patient navigation and lymphatic drainage are just a few of the many services available at no cost because of Komen funding helping assure that our clients maintain the quality of life that we all deserve."

Olga Young | Executive Direct | SLEW Wellness Center

"ThriveWell Cancer Foundation is a proud partner of the Susan G. Komen San Antonio. Because of their support, we have been able to grow the DIVA program and offer life-saving exercise and nutrition classes to breast cancer patients and survivors across the city. Thousands of women, right here in our community, are better and surviving because of the money raised at the Komen San Antonio Race for the Cure. Thank you for being a part of our important work!"

Erin Ercoline | Executive Director | ThriveWell Cancer Foundation

"University Health System is thrilled to be a Susan G. Komen San Antonio grantee. Over the past year, thanks to funding from Komen San Antonio, University Health System provided screening and/or diagnostic exams to over 1,000 women. This is the type of powerful impact our partnership with Komen San Antonio is having in our community. We look forward to continuing our partnership with this outstanding organization over the upcoming year and into the future."

Theresa De La Haya | Sr. Vice President for Community Health and Clinical Preventive Programs | University Health System

"We are grateful to Susan G. Komen San Antonio. This grant will enable us to extend our life-saving treatment services to more women in Bexar County. We currently have more than 700 women in the program thanks to the generosity of the people who support Komen throughout the year. We are honored to be among such a remarkable group of agencies who realize that we are -- truly -- our sisters' keepers."
